

Stuck?

Sermon Series

Relationships

Relationship Model

Relationship: the way in which two or more people or things are connected with each other

Fellowship: the way in which people or things interaction with each other in a relationship to produce benefits

Benefit: Results of healthy fellowship within the right relationships

When you are in the RIGHT relationships and you do things the RIGHT way the RIGHT things flow no matter how many wrong relationships, wrong ways, or wrong things you have experienced!

God doesn't want us to have stuck relationships! He wants us to have sticky relationships that produce benefits!

The reason many relationships are stuck and vulnerable for failure is not because they are bad relationships.....

As a results of this "stuckness", many relationships are under worked and over stressed!!!!

John 15:7 If you abide in me, and my words
abide in you, ask whatever you wish, and it
will be done for you

Relationship: If you abide in me,

Fellowship: and my words abide in you,

Benefits: ask whatever you wish, and it will be done
for you

3 Questions to ask to get
unstuck in any relationship

Can this person or thing produce the benefits that I am looking for?

If the person or thing can produce
what I need, why isn't it?

Do I trust the process?
