

WHY CAN'T YOU SEE THAT?

How's That Working For You?

H T W F Y

If we provide people with information about their actions in real time (or something close to it), then give them an opportunity to change those actions, we will push them towards better behaviors.

EVIDENCE:

Capture a behavior to provide a reality check

James 1:16 Don't be deceived, my dear brothers and sisters. 17 Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows. 18 He chose to give us birth through the word of truth, that we might be a kind of first fruits of all he created.

RELEVANCE:

It must make sense as to why current behavior is not acceptable.

James 1:19 My dear brothers and sisters, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry, 20 because human anger does not produce the righteousness that God desires.

CONSEQUENCES:

*Consequences reveal paths that the we can take
(destiny or downfall)*

James 1:21 Therefore, get rid of all moral filth and the evil that is so prevalent and humbly accept the word planted in you, which can save you.

ACTION OF SELF CORRECTION:

There must be a clear moment when the individual can “SELAH”, make a choice, and act.

James 1:22 Do not merely listen to the word, and so deceive yourselves. Do what it says. 23 Anyone who listens to the word but does not do what it says is like someone who looks at his face in a mirror 24 and, after looking at himself, goes away and immediately forgets what he looks like. 25 But whoever looks intently into the perfect law that gives freedom and continues in it—not forgetting what they have heard, but doing it—they will be blessed in what they do.
